It's Springtime! The trees are green again, we're leaving our coats behind when we go outside, and we're starting to imagine ourselves paddling around Miller Pond!

Right now is the time to *really* prepare yourself for summer! Below is an example "to-do list" with space to add your own tasks -- maybe it's learning the rules of D&D before summer, or practicing putting your head under the water!

Terms you might hear around camp

Cabin Counselor

A cabin counselor is a staff member whose job it is to be with your bunk all day! They'll live in your bunk, go to activities and meals with you, and help you with whatever you need!

Specialist

A specialist is exactly like a cabin counselor, but instead of spending activity periods with you at your activities, they are at their own area *facilitating* for other campers, like swim, or ropes. You'll have 2 specialist counselors.

Evening Meeting

After dinner, the whole camp gathers at our amphitheater. After Debbie and Eric make a couple of announcements, it's a time for campers and counselors to recognize the achievements of other community members.

Evening Meeting is also when we read from the suggestion box!

Suggestion Box

If you have an idea about improving Akeela, you'll write it down and put it in the suggestion box! You might suggest a new activity, a group project we can all work on together, or anything else that helps Akeela be the best it can be. Debbie and Eric read all of the suggestions and often share some of them out loud (anonymously) with the entire community at Evening Meeting.

WHAT TO EXPECT ON THE FIRST DAY OF CAMP

Dear Akeela Camper,

Summer is almost here and we hope you are excited about camp, even if you're also feeling a little nervous about it. Almost everybody worries about how they will like a place that's new to them. It's OK to feel that way and we're here to help make your transition to camp as easy as possible. One way to do that is to help you know what to expect...

If you're taking one of the **camp buses** to camp, you and your family will meet some of our counselors at the bus pick-up location. They will be there to welcome you and to introduce you to other campers. They will help you find your seat on the bus with a new friend and will be there to answer any questions you might have. The travel time from NY is approximately 5 hours and the time from Boston is approximately 2.5 hours. You will bring lunch on the bus and there are bathrooms on both buses!

Those of you **flying to Boston** on Opening Day will be met at the airport by Akeela staff members. They will be there to greet you and to introduce you to other campers who have also flown in! You and your new friends will be driven in a camp van directly to camp. It will take approximately 2.5 hours to get to Akeela.

If your grown-ups are **driving you to camp**, you will be dropped off at 2 P.M.. Your counselors will be there to meet you at your car and help you carry any last-minute items you have brought with you. You, your family, and counselors will go to your cabin, where you'll see all of your belongings have been unpacked and organized for you so you can easily find your bed. You'll then say goodbye to your family and begin your camp adventure!

Regardless of how you get to camp, here's what you can expect to happen the rest of that first day:

- You will have a chance to see what camp looks like and enjoy some planned activities with your bunkmates. You might take a tour, play some games, or jump on the jumping pillow.
- You'll also meet our nurses, including **Head Nurse Amy**, so that they can give you a quick "health check" to make sure you're healthy!
- Our great chef, **Chef Chester**, will give you a small preview of his cooking skills and provide a delicious snack for you and your new friends to enjoy.
- There will be some time after everyone arrives for each bunk to hang out together before we meet for dinner. This is a great time to get to know your bunkmates and counselors, and talk about "bunk expectations," so you know what to expect from each other.
- We will all have dinner and Evening Meeting together as a community. You'll eat dinner with your cabin, just like you will for all your meals at camp! Evening Meeting will be at the amphitheater and you'll get to hear from **Eric, Debbie & Erin**, and have a chance to make announcements about the new friends you've already made!
- Then it will be time for our opening campfire and evening snack. We'll sing songs and do skits as a community by the fire. It's one of our favorite parts of camp!
- Before bedtime, you will preview the next day's schedule and then Debbie, Eric, or Erin and your Head Counselor will stop by to say good night. Before you know it, your first day will be over and we will all be getting ready for bed!

Many campers worry that they might be sad or missing home on the first night of camp. That is very normal. All of your counselors will be right in your bunk with you to help you. In addition to talking to them, you might want to look at photos from home, write a letter to your family or read a book. We know that after a short time, you will be having such a great time at Akeela, it will feel like your second home.

We can't wait to see you at camp. Many of you will be joining us for our Open House on June 9th! We're so excited for an amazing summer at Camp Akeela. See you soon!
